We salute your unwavering commitment to putting an end to Alzheimer's.

Thank you for your leadership in Congress and your significant contributions to vital policies that support those living with dementia and their caregivers. Your steadfast dedication to the Alzheimer's community, including your leadership on ensuring access to FDA-approved Alzheimer's treatments and your support of historic federal research funding, has been invaluable.

In honor of the **more than 580,000 individuals in Florida** living with Alzheimer's, and the hundreds of thousands more who care for them, we congratulate Representative Buchanan on this well-deserved award.
