

THANK YOU, MAJORITY LEADER SCHUMER

FOR YOUR OUTSTANDING LEADERSHIP IN
ADVANCING POLICIES TO SUPPORT THE FIGHT TO
END ALZHEIMER'S AND ALL OTHER DEMENTIA.

On behalf of the millions of Americans living with Alzheimer's disease — and their dedicated caregivers — thank you for passing the bipartisan **BOLD Reauthorization Act, the NAPA Reauthorization Act and the Alzheimer's Accountability and Investment Act.**

Your leadership of these critical bills will ensure Congress continues to address Alzheimer's and other dementia.
