How to Report an Action

2. Click “Report an Action” under the “TAKE ACTION” menu item (or go directly to <https://alzimpact.org/action>) and begin typing the member of Congress’s name. When it pops up, click the name.

The screenshot shows the "Advocacy Action Report Form" interface. At the top, the title "Advocacy Action Report Form" is displayed in a large, dark font. Below the title, the question "Which member of Congress does this pertain to?" is followed by the instruction "Start typing the member's name in the text box below." A text input field contains the letters "kyrs". Below the input field, a blue dropdown menu is open, showing the selected option "Rep. Kyrsten Sinema (D-AZ-09)". A large orange arrow points to this dropdown menu. Below the dropdown, a date field shows "11/30/2017". At the bottom, the section "Select the action category" is followed by four radio button options: "Association Events", "Congressional Meetings", "News Media", and "Personalized Messages".
