

# ASK CANDIDATES RUNNING FOR OFFICE ABOUT THEIR PLAN TO ADDRESS THE ALZHEIMER'S CRISIS

Alzheimer's is America's most expensive disease **costing the nation \$277 billion**, including \$186 billion in Medicare & Medicaid costs.

**37.8 million American voters** have provided care for someone with Alzheimer's or another dementia

**1 in 5 Medicare dollars** is spent caring for someone with Alzheimer's

**Every 65 seconds** someone in the United States develops the disease

Every hour Alzheimer's costs taxpayers  
**\$21 MILLION**

**The costs of Alzheimer's disease are bankrupting our health care system and destroying retirement savings for millions of Americans.** Ask candidates running for office about their plan to address the Alzheimer's crisis.

---

If elected to Congress, what will you do to increase our nation's investment in Alzheimer's and dementia research at the National Institutes of Health?

If elected, what will you do to tackle Alzheimer's as a public health issue?

If elected, how will you ensure our state implements an effective Alzheimer's state plan?
